PROFESSIONAL EXPERIENCE

SOCIAL MEDIA ASSOCIATE - B2B ORGANIC [REMOTE]

Scale Army - Miami, Florida

June 2025 - Present

Scale Army is a remote staffing company that provides companies with pre-vetted, nearshore talent in sales and marketing, tech, and much more from all around the world.

- Built and executed a **data-driven organic growth strategy**, increasing social engagement by **20%** and website organic traffic by **34% within 2 months**, using SEO, content strategy, audience engagement, and conversion optimization.
- Generated **290+ organic leads from January–August 2026 through inbound content, DMs, lead magnets, UTM-tracked campaigns**, and organic acquisition initiatives, contributing directly to MQL/SQL growth and pipeline opportunities.
- Built a custom **Organic Growth Dashboard** using **Claude Code, Vercel, VS Code, Supabase, and GitHub** to centralize growth reporting, campaign performance, traffic, lead-generation, and attribution metrics.
- Developed **“Conversion Therapy,”** a custom web application designed to track the customer journey from **TOFU to BOFU**, identify conversion drop-offs, monitor content performance, and recommend opportunities for re-engagement when organic growth or conversion metrics decline.
- Implemented full-funnel attribution and performance tracking using **HubSpot, Google Analytics, UTM parameters, and Google campaign tracking tools**, enabling visibility into lead sources, lifecycle stages, MQLs, SQLs, and content-driven conversions.
- Built and optimized **custom landing pages, UTM tracking links**, and automated lead-capture workflows using **Framer, Claude Code, and ManyChat**, improving inbound acquisition and conversion tracking.
- Researched, wrote, and published **SEO-optimized blogs and LinkedIn content**, increasing organic impressions, CTR, and website traffic by **40%** through keyword research, content optimization, and search-focused distribution.
- Increased website traffic to **2,000+ weekly organic visits** through SEO strategy, content optimization, audience engagement, and organic distribution initiatives.
- Developed **themed content strategies and editorial calendars** based on ICPs, audience pain points, funnel stages, campaign objectives, and seasonal trends, improving content relevance and engagement.
- Identified and refined **Ideal Customer Profiles (ICPs)** to improve audience segmentation, messaging, content positioning, and organic campaign performance.
- Collaborated with design teams to develop branded marketing assets using **Canva** and produced 50+ video assets using **CapCut** and **Adobe Premiere Pro**, contributing to a **25%** increase in average post reach.
- Executed organic PR and thought-leadership campaigns through **HARO outreach**, securing media opportunities including a CEO feature in **Authority Magazine** and strengthening executive visibility.
- Supported strategic brand initiatives including **Shoptalk showcase coordination** and the launch and development of the CEO's personal media platforms.
- Managed inbound community engagement and partnership opportunities, converting approximately **30% of qualified inquiries into SQLs** and increasing referral traffic by **12%**.
